Re: *Florence Wallace, et al. v. Robert J. Powell, et al.*,
Case No. 09-cv-0286 (M.D. Pa.)

Dear Judge Caputo:

We represent Vision Holdings, LLC and Robert J. Powell (the "Powell Defendants"), and write on behalf of Powell Defendants and Plaintiffs in connection with the parties' agreement in principle to settle this and related actions. The parties have made substantial progress in documenting their proposed settlement. While a number of issues remain outstanding, the parties believe those issues will be resolved shortly. As a result, the parties will be unable to file their motion for preliminary approval of the proposed settlement today, but expect to do so on or before March 6, 2015.

The parties are available at Your Honor's convenience, should the Court wish to discuss this matter. Thank you for your consideration.

Respectfully submitted,

Stephen M. Sinaiko
